

CALIFORNIA PROPOSITION 65 DECLARATION

Dear Valued Customers,

This certificate is to inform American Elite Molding (AEM) customers that items produced by AEM do not contain chemicals which are listed on California's Safe Drinking Water & Toxic Enforcement Act of 1986.

Proposition 65, officially known as the Safe Drinking Water and Toxic Enforcement Act of 1986, was enacted as a ballot initiative in November 1986. The proposition protects the state's drinking water sources from being contaminated with chemicals known to cause cancer, birth defects or other reproductive harm, and requires businesses to inform Californians about exposures to such chemicals.

The Proposition 65 chemical list can be found at:

<https://oehha.ca.gov/proposition-65/proposition-65-list>

Be assured, AEM continues to monitor the Proposition 65 regulations for new chemicals. AEM will compare any newly listed chemicals with the raw materials in our finished product and communicate this information to our customers.
