

MEMORANDUM

CALIFORNIA PROPOSITION 65 DECLARATION

Dear Valued Customers,

This certificate is to inform American Elite Molding (AEM) customers that items produced by AEM have been tested and do not contain chemicals at concentrations that would require a California Prop 65 warning label in accordance with California's Safe Drinking Water and Toxic Enforcement Act of 1986.

This Act, commonly known as Proposition 65 (Prop 65), establishes a list of chemicals which the state of California's risk assessment process has determined to present a risk of cancer, birth defects or other reproductive harm. The Proposition 65 chemical list can be found at:

www.P65Warnings.ca.gov

AEM monitors the Proposition 65 regulations for any new chemicals. AEM will compare any newly listed chemicals with the raw materials in our finished product and communicate this information to our customers.
